

Partners Together

2010 REGISTRATION FORM

This Spring, the National Wildlife Federation (NWF) and Cuyahoga Soil & Water Conservation District (SWCD) will be hosting the Habitat Steward Workshops. Volunteers will become certified as Habitat Stewards to help residents in their communities transform their schools, worksites, and backyards into wildlife habitats. Participants must be able to attend all classes to qualify for certification with the National Wildlife Federation. Upon completion, new Habitat Stewards are asked to contribute 30 volunteer hours.

Planned Training Series:

What Habitat Stewards Do
Native Plants and Enhancing Wildlife
Pond Construction and Maintenance
Birds in the Wildlife Habitat
Wetland Habitats
Wildlife Habitats in an Agrarian Setting and Your Backyard
Composting
Nature Control
School Wildlife Habitat

*Classes are April 20, 22, 24, 27, 29 and May 1, 4, 6, (and May 8th if necessary)
Tuesday and Thursday evenings and Saturday afternoons*

Registration Fee: is \$50.00 – includes all materials and field trip costs
Registration deadline is Friday, April 9, 2010
