2018 Rain Barrel Workshop

Saturday
April 28

10:00-11:30am

Cleveland Metroparks
Rocky River Nature Center

24000 Valley Parkway

North Olmsted, OH

Cost: $60

Save the Rain for a Sunny Day!
An average house's rooftop generates more than 24,000 gallons of runoff every year! That's rainwater that you could be harvesting to water flowers or vegetables.

Register online at www.cuyahogaswcd.org/events or contact Rocky River Watershed Program Manager Jared Bartley at 216-524-6580 x1003.

Rain Barrels harvest rainwater for all your garden needs and combat Stormwater Pollution in your community! Each workshop participant will construct a 60-gallon rain barrel to take home. A barrel, downspout diverter and all materials are included. Registration required by April 23.
