

Join Us! (Virtually)

February 14th-February 21st

We all deserve a little love this Valentine's day and that includes Lake Erie. We need your help to keep our Great Lake clean!

With the use of The Litterati mobile app, volunteers will photograph, upload, and tag litter in their neighborhood. By using the app and joining our "Love It Don't Trash It" cleanup, you will help reduce and prevent litter from threatening wildlife and contaminating Lake Erie.

How The Litterati App Works:

1

Photograph a piece of litter.

2

Discard Properly & Tag the Photo.

3

Invite or Challenge Others.

4

Use LitterData to Inspire Change.

Information for Participants

- *Dress for the weather, maintain social distance*
- *Wear work gloves, long sleeves, boots and pants*
- *Children under age 18 must have adult supervision*
- *Need Trash Bags or Grabbers? Contact us!*

*This event can count for Metroparks
Volunteer hours
