

Cuyahoga Soil & Water Conservation District and Ohio Prairie Nursery present:

# SHRINK YOUR LAWN

## Landscaping with Native Plants

Tuesday, May 10, 2016 6:00pm - 7:00pm

Don Umerley Civic Center - 21016 Hilliard Blvd. - Rocky River, OH 44116

Planting native plants can improve the curb appeal of a home, boost its resale value, all while protecting our environment with their long root systems which hold in soil, slow stormwater runoff and provide vital food and habitat for birds, insect pollinators and many other species.

Learn how to properly convert part or all of your lawn to incorporate native plants. Ohio Prairie Nursery will present on seeding timing, picking a site, sowing your seed, maintenance and yearly expectations for a successful garden.

**Presenter: Jennifer Davit, Ohio Prairie Nursery**

**Native plant seed mixes for sale at event \$15/each** (covers 250 sq. ft.)
