

CAREER SHADOW DAY

We're inviting 11th–12th graders and newly graduated young adults to join us for a Career Shadow Day with Cuyahoga SWCD.

Spend a day learning who we are, what we do, the career paths in conservation, and how our team found their way into this work.

We're looking for 5–10 students or recent grads who are curious about environmental work and want an inside look at real-world conservation careers.

Thursday

July 23, 2026

Time

9:00am - 4:00pm

Cuyahoga SWCD
office and field trips
